HOW LONG DOES THE CHALLENGE LAST?

Teams have until March 8, 2024 to complete their design build and submit their video for judging. The top 8 submissions advanced to the live, in-person finals to be held at the Microsoft Headquarters in Toronto on April 13th.

WHAT IS MY ROLE AS A COACH?

You do **NOT** need to know anything about Minecraft or esports, and you don't have to be a gamer yourself in order to coach! All you need is a positive attitude, a willingness to learn, and a commitment to help support students as they develop their skills! For everything else, we're here to help and support you so that your students can be successful!

ARE THERE PRIZES?

OSEA does not offer monetary prizes for events or tournaments. The winning teams will be crowned Provincial Champions and will receive a large trophy and/or medals to display in their school. But the best prize is getting the opportunity to compete with your teammates against other schools in Ontario while having fun!

IS THERE A CHAMPIONSHIP FINAL?

YES! And what's more exciting is that the championship finals will be held **in person at the Microsoft Headquarters** in Toronto! This is going to be an AWESOME event and we are super excited to bring in teams from across on Ontario to participate!

The championships will be on **Saturday, April 13th.**
